

COMMERCIAL INTERIOR DESIGN

WHO WE ARE

With almost 20 years in the market, **Commercial Interior Design (CID)** is the leading publication for the design industry in the Middle East.

The monthly magazine, website, social media channels and newsletters are the go-to platforms for project directors, designers, architects, specifiers, and procurement professionals across the region.

CID not only reports the news but helps define it, too, with regular in-depth investigations, panel discussions and the industry-leading awards event.

In 2024, our events and publishing programme is expanding, with new opportunities in Saudi Arabia throughout the year.

PRINT

The monthly print magazine remains the leading source of commercial interior design industry news and insight.

With the latest innovations, trends and projects being discussed in depth each month, as well as deep-dives into products, suppliers and fit-out firms, the magazine touches on every aspect of the industry.

Our magazine is in the hands of design companies, manufacturers, fit-out firms, suppliers, architects and more, with key decision-makers and executives.

7,000+ READERSHIP

DIGITAL AND SOCIAL

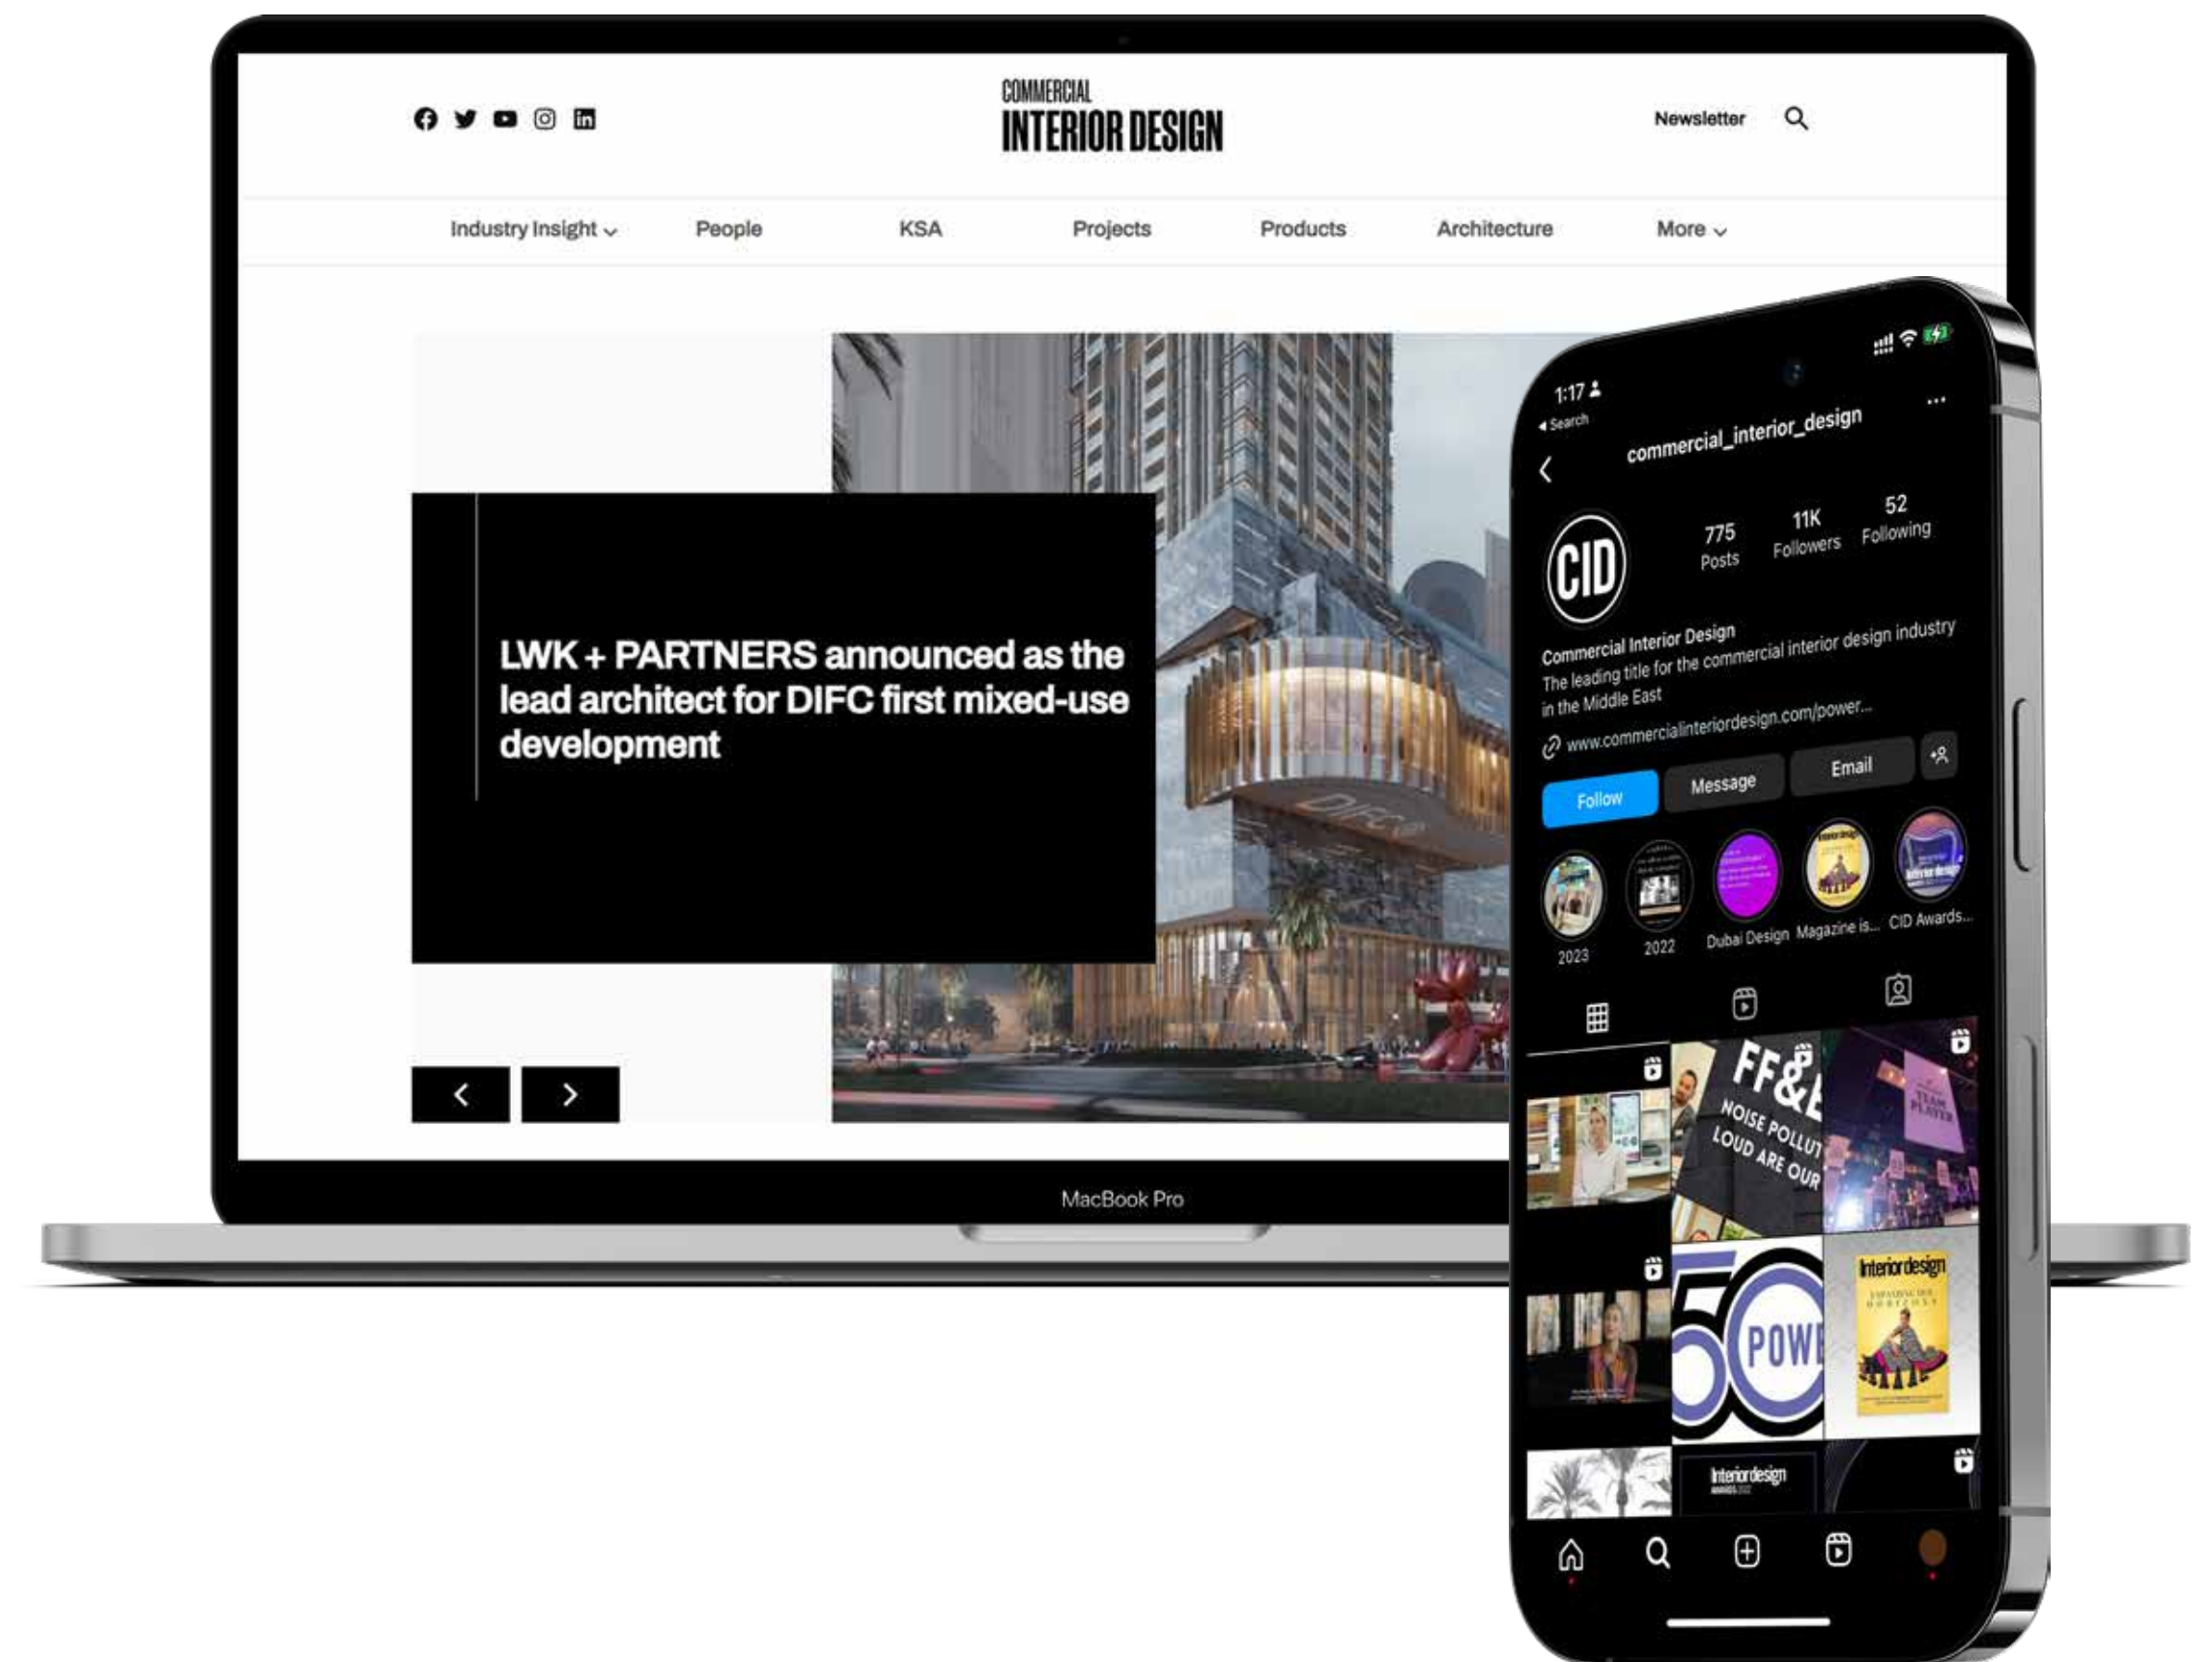

Commercial Interior Design's industry-leading digital content reaches a bigger audience every day.

With a growing number of subscribers to the website and engaged followers across our social media channels and newsletters, we reach thousands of design and architecture professionals every day with breaking news, in-depth analysis, interviews, features and more.

EVENTS

Now in its 18th year, the Commercial Interior Design Awards has introduced a new and expanded programme for 2024.

Three Commercial Interior Design Awards will take place over the course of 2023, kicking off with the brand's new **Commercial Interior Design Awards 2024: Saudi**, held in early February in Riyadh, Saudi Arabia.

Next up is the **Commercial Interior Design Awards 2024: Hospitality**. Taking place at the end of June in Dubai, the Awards will focus on the hotel, restaurant and bar space.

The year culminates with CID's flagship, region- and category-wide event **Commercial Interior Design Awards 2024: MENA** in September.

CID's **Power Panels** also take place throughout the year, with discussions about the most pressing issues of the day taking place with the region's leading industry voices.

There are also various round tables and other laser-focused events across the calendar.
